

# **Churchill Junior High School**

## **Mission Statement**

*As a partnership of students, staff and community, Churchill Junior High School will strive to create a safe and caring environment where all students and teachers are treated with respect. In this atmosphere, we will empower our students with knowledge and experience to help them achieve academic, physical, and social success.*

*Our tradition of excellence will continue as we enable our Students to develop to their fullest potential and become productive, socially responsible citizens who are dedicated to being lifelong learners.*
